

# ***TOP FIVE REASONS TO JOIN PLANTATION PRESERVE***

## **#5 Design and Condition of the Golf Course**

From the moment you step onto the Plantation Preserve facility, the first thing you will notice is the plush Paspalum grass throughout the property radiating its vibrant green color year round. After you tee off, you will realize that Plantation Preserve is fun for golfers of all levels. Designed by the famed architect firm of von Hagge, Smelek and Baril, Plantation Preserve has been created for men, women and juniors alike with 5 sets of tees to suit every golfer's playing ability. High handicappers can choose one of the forward tee boxes and not feel overwhelmed, mid handicappers can play the middle tees and will be challenged and the best golfers can go to the back tees that measure 7,148 yards and definitely get their money's worth. Furthermore, as a new golf course, Plantation Preserve has superior drainage. After a heavy summer deluge, the golf course is usually ready for play.

## **#4 State of the Art Practice Facility**

All members can enjoy hitting range balls in peace and quiet at the back of the driving range in the Member Only area. As an added bonus, you will have the opportunity to aim at realistic target greens surrounded by bunkers. Once you are done hitting range balls, don't forget to take advantage of the short game area designed for short wedge shots and different bunker lengths.

## **#3 Personalized Attention and Service**

Everyone at Plantation Preserve is here to make sure every member receives personalized attention and service each and every time you step foot in and out of the door. Purchase a locker, and your name will go on it. Take advantage of bag storage and your golf clubs will be brought to you whenever you need them. No more lugging them around in your trunk.

## **#2 Affordable Rates**

Because Plantation Preserve is owned by the City of Plantation, Plantation residents can save money when purchasing a membership. If you don't live in Plantation, don't worry, our Florida Resident membership rates are still less than other area golf courses. Whatever your budget, Plantation Preserve definitely has something for you.

## **#1 All the benefits that you receive only as a Member**

Advanced Tee Times: Beat the general public and make your tee time up to 7 days in advance.

Year Round Guest Fees: Bring your friends out and show them the great golf course you belong to at the guest of a member rate

Current Pro Shop Merchandise: As a member you will receive a 20% discount on all regularly priced merchandise and don't forget about the special price for members on sale items. Choose from our top line of NIKE, Ashworth, Footjoy, Ahead, Tehama and many more.

Excellent Restaurant & Catering Facility: Enjoy a 10% discount on all food checks and a waived room fee for a special event.

Reciprocal Courses: During the summer time, you will be able to enjoy playing other area golf courses, private and public, at a discounted rate.

Member Tournaments and Events: Be sure and take the opportunity and join other fellow members in the Saturday morning MGA events, the LGA Thursday morning games as well as special Club Tournaments such as the Club Championship, Member/Member, Member/Guest, and the Preserve Cup.

*Just to name a few...*
