Speaker

**Wade Jollimore, FPL Vegetation Management Supervisor, Broward County.**

When trees grow into or near power lines, they can cause power interruptions. FPL's strategy is to maintain power lines free of tree growth through planned trimming cycles and using a 'directional pruning' method. Wade will talk to us about how, why, when and where FPL prunes trees. Learn more about the tree care in your neighborhood and how to plant and care for the trees in your yard.

**Marilyn Barber, National Wildlife Steward:** Conservation/ Ecology/ Environmental Tidbit

**Derek Burch, Horticulturist & World Traveler:** Pearls of Wisdom

**David McLean: Plantsman and Educator:** Q & A , the latest in what's what!
