

2012 Bulk and Yard Waste Removal

For information or to schedule a special pick-up, call Waste Management at 954-974-7500

Bulk waste includes but is not limited to large appliances (with refrigerants properly removed), white goods, couches, chairs, mattresses, tables, appliances, carpets, carpet padding, yard waste, and other bulky material generated from the ordinary housekeeping operations of a residence. Bulk waste does not include construction debris or contractor-generated waste. Bulk items shall be limited to a size and weight that allows a two-man crew to safely lift it. Items such as carpeting, palm fronds, cardboard, or other loose material, must be tied and bundled in a manner that does not exceed 4' length or 40 pounds in weight. Glass must be placed in a rigid container of sufficient strength that may be safely lifted while containing its contents. Leaves must be placed in **clear yard bags**, which may be purchased at Winn Dixie, Home Depot, and Wal Mart. *To prevent property damage and to expedite the removal process, please keep solid waste blue bags separate from the bulk waste. Do not place your waste near mailboxes, signs, power poles, sewer drains, trees, or other structures or objects.* Bulk material and yard waste will be removed according to the map and schedule provided below. Bulk pick-up items should not be placed at the curb by the homeowner prior to the Saturday before the scheduled pick-up day. **(NO BLACK BAGS WILL BE PICKED UP)**

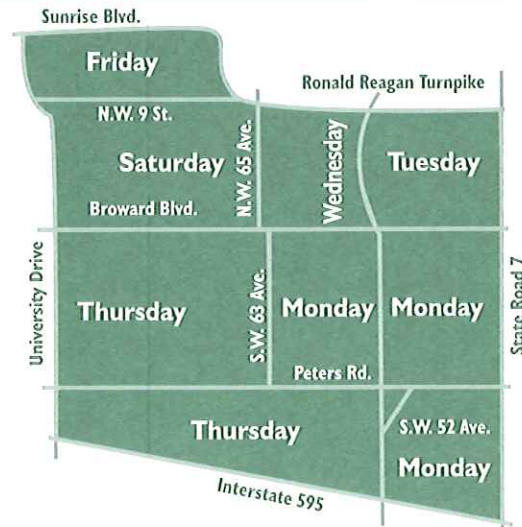

WEST OF UNIVERSITY DRIVE

Single-family residents WEST of University Drive, please locate where you live on the map below, then find the corresponding date in gold on the calendar for your specific area; Multi-family Condominiums on Wednesday, March 14 and September 19. For more information, please call 954-974-7500.
