

Plantation Gardens Historic District Implementation Status Summary

Task	Department	Funding	Time Frame	Status
Kennedy Center to undergo remodeling or replacement.	Parks & Recreation Landscape	\$3 Million FRDAP Grants	2008-2009	The design of both the playground and the water play area have been designed. RFPs have gone out for the playground equipment, the entrance feature, and the water play area.
Neighborhood to apply through the NTMP for traffic calming. Existing study information, which includes traffic volume and speed data, will be applied and the neighborhood will be required to participate in traffic calming solutions.	Engineering	City-wide Programming	2005-2006	Step I Treatments are complete and data collection has been evaluated by Eng. Dept. Results will be presented to the TCC on 3/5/09 for discussion.
Inventory condition and availability of sidewalks throughout neighborhood and meet with residents on affected streets including but not limited to Cypress, Holly and Bel Air.	Public Works	\$200,000 Budget line item	2003-2004	Homeowners do not want sidewalks installed at the edge of the right-of-way; rather want sidewalks moved to edge of pavement so their green space remains the same. Staff to discuss further. Homeowners have limited their requests for sidewalks at this time. Discussions have closed regarding this issue. Completed.
Engineering to evaluate the feasibility and cost of installing decorative lighting fixtures and poles on Plantation Road, Fig Tree Lane, East Acre Drive and Cypress Road.	Engineering	\$10,000 Feasibility Study	2005-2006	Completion of lighting evaluation is on hold due to funding. In the interim, staff is managing on an as needed basis through FPL.
Landscape Department to coordinate with Broward Boulevard residents to discuss options for uniform landscape treatment on Broward Boulevard.	Landscape	Bond \$	2005-2006	No change.
Code Enforcement to conduct routine patrols through the neighborhood. In addition a Code Enforcement Officer will coordinate and meet with neighborhood residents to identify and discuss specific code enforcement concerns and priorities.	Code Enforcement	City-wide Programming	2003-2004	Completed
Landscape Department has funds available for manufacture and installation of decorative street signage.	Landscape	\$40,000 Gas Tax	2003-2004	Completed
Police Department to meet with businesses and residents to provide crime prevention through education program. Officer Bob Wilkins is available to meet and discuss issues and techniques.	Police	City-wide Programming	2003-2004	Completed
Enhance tree canopy on East Acre as practical.	Landscape	\$10,000	2004-2005	Completed

Prepared by the City of Plantation Planning Department – September 2009
