Where applicable, the review of a Conditional Use request should include consideration of the criteria noted in Section 27-768 of the Land Development Code, attached hereto. The applicant is required to identify the following:

1. A binding and buildable site plan that allows the Council to determine the architectural features and buffering needed to protect the surrounding property.
2. The proposed conditional use will be consistent with the general plan for the physical development of the district including any master plan or portion thereof adopted by the Council.
3. The proposed conditional use will be in harmony with the general character of the neighborhood, considering population density, scale and bulk of any proposed structures, intensity and character of activity, traffic and parking conditions, and number of similar uses. A present need for the conditional use must be demonstrated.
4. The proposed conditional use will not be detrimental to the use, peaceful enjoyment, economic value, or development of surrounding property, or the neighborhood, and will cause no objectionable noise, vibration, fumes, odor, dust glare of physical activity.
5. The proposed conditional use will not adversely affect the health, safety, security, morals, or general welfare of residents, visitors, or workers in the neighborhood.
6. The proposed conditional use will not, in conjunction with existing development in the area and permitted development under existing zoning, overburden existing public services and facilities.
7. The proposed conditional use shall meet all other specific standards that may be set forth elsewhere in the Code of Ordinances.
8. The proposed conditional use shall disclose the square feet of use sought for approval so that an adequate evaluation may be made.
