#### Permit Requirements

**Contractors please bring with you upon applying for permit a Current Broward County business tax receipt, tree trimming license, ISA arborist license, a signed letter on the property owners letterhead authorizing your company to apply for a tree trimming permit.**

CONDITIONS OF PERMIT (please read and sign below). Permitted pruning of swale trees shall conform to the City of Plantation's codes (Ch. 13) and policies, including, but not limited to:

- Pruning trees according to ANSI A-300 Standards (available online at [www.ansi.org](http://www.ansi.org))
- Removing no more than 25% of the canopy of a tree and palms
- Not hat-racking or topping trees
- Cutting limbs just outside of branch collar to avoid flush or stub cuts (see reverse)
- Avoiding overlifting, overthinning, and lion tailing
- Palms only dead fronds and seed pods, green fronds not to be removed

Permittee affirms that the facts stated herein are true and agrees that he, his agents, employees and contractor shall perform all work described hereon in conformance with City ordinances and policies.

The permittee agrees to hold the City of Plantation, its officers, agents, and employees harmless from all costs and damages which might arise from the permittee's use or occupancy of public right-of-way. This permit may be revoked at any time for violations of the above conditions.

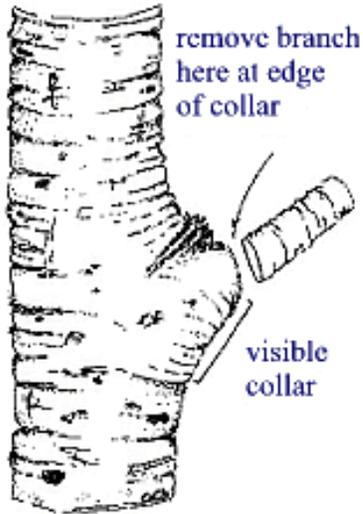

Improper pruning of trees within the City of Plantation is a violation of Chapter 13-46, Tree Abuse, and may be subject to a code violation fine of up to \$250 per day plus replacement of destroyed canopy.
