Address: _____

City, Zip: _____

Daytime telephone: _____ Alternate/cell telephone: _____

Thank you for your interest in participating in the City of Plantations Street Tree Program. Requests/Plantings take place annually, and are evaluated on a case by case basis. However, dependent upon circumstances (e.g. weather events, resource availability and demand), schedules may be adjusted to occur either more frequently or extend beyond the course of a year. Upon request, staff from the Public Works Department will conduct a site visit to assess the site and swale area and notify participants of any concerns regarding the planting (e.g. eligibility requirements, proposed quantity, cost and species).

**Important – Trees will be installed, mulched and watered in by Public Works – Landscape Division staff members. Once tree(s) are planted, the participant/property owner and city staff shall provide as much care and water as necessary during the first ninety (90) days. The establishment period is a minimum of ninety (90) days, but can vary depending on weather conditions.*

Are there overhead power lines: Yes No

Do you reside in a development governed by an HOA (Homeowners' Association) or managed by a property management company? Yes No
