

Façade Improvement Grant Program

Introducing the City of Plantation's first façade improvement grant program to help update and beautify the District's curb appeal.

How does it work?

- ◆ The Plantation Gateway District provides the façade materials (paint and stone veneer).
- ◆ Property owner shall be responsible for the cost of installation of all façade materials.

Who can participate?

- ◆ Available only to businesses/properties located in the Plantation Gateway Redevelopment District. *If you are unsure if your property is in the Gateway District, please contact the Planning, Zoning and Economic Development Department for assistance (954-797-2225).*

Who is eligible?

- ◆ Property/building must not have any existing code violation(s) OR existing code violations are being addressed.
- ◆ Tax exempt properties are ineligible. *Examples include, but are not limited to, churches and certain not-for-profit businesses.*

How do I apply?

- ◆ A complete application must be submitted to the Planning, Zoning and Economic Development Department, Community Redevelopment Office, 401 NW 70th Terrace, Plantation, FL 33317.
- ◆ Application shall be filed and signed by property owner.
- ◆ Program will run from November 30, 2019 through October 30, 2020.
- ◆ Application must be received no later than 4:30 PM on Tuesday, June 30, 2020.
