

City of Plantation

Notice is hereby given that the City of Plantation is offering citizens the opportunity to make comments on the proposed grant application for Rebuild Florida Critical Facility Funding Program competitive solicitation issued by the Florida Department of Economic Opportunity (DEO) with funding provided by the U.S. Department of Housing and Urban Development (HUD) Community Development Block (CDBG) to address unmet infrastructure needs related to protection of critical facilities. The project will consist of mitigation activities at the Central Water Treatment Plant at 700 NW 91st Ave., Plantation, FL 33324. These activities include the hardening of the portable generator building to provide uninterrupted service during an emergency. The City is requesting \$1,785,000. The program does not require matching funds from the City.

The comment period begins on **Thursday, June 11, 2020** and ends on **Thursday June 25, 2020**. All comments must be submitted to SUrich@plantation.org and must be received no later than close of business on **June 25, 2020** to be included with the application package submitted to the State of Florida.
