

2020 City of Plantation Share-A-Pony Classes FAQs

What days and hours will Share-A-Pony Classes be taking place?

Starting in September Wed afternoons at 4pm & the traditional Sunday at 9:30am, with limited availability of ONLY 6 children will be allowed per class. This will be a monthly registration for 4 consecutive weeks. NO last minute day of registrations will be allowed. You must preregister and pay for SAP classes or you will not be allowed to participate.

How much does the class cost?

Cost for 4 consecutive classes will be 125.00 with a 5.00 City resident registration fee or 10.00 for Non-residents plus tax. Because of the limitations on number of participants and the need for additional staffing, no multi-child discounts will apply this year.

When will registration take place?

Registration is ongoing until all slots are filled each day. There will need to be a minimum of 4 registered participants to hold that class.

When will payments be due?

Payment must be made by the end of the day prior to the class start date. You can complete payment by American Express, MasterCard, and Visa over the phone only, a cc authorization will be included with your registration/waiver once we receive your application.

How will drop off/pickup be conducted regarding social distancing?

Drop off

Children will be dropped off outside of barn B on the west end or the designated area which we will inform you of well in advance of the class. Guardians will not be permitted to leave their vehicles. A staff member will sign them in and each participant will have their temperatures taken with a thermo-thermometer every day.

Pickup

Guardians will not be permitted to leave their vehicles. A staff member will greet the guardian at their vehicle. Once it is confirmed that the guardian is on the pickup list, the counselor will bring the child to the pickup area.

What steps is the City and the Equestrian Center taking to ensure my child is staying safe? The

City will be following guidelines put forth by the Center for Disease Control, and leading camp organizations.

- Staff will be required to wear face coverings.

- High touch surfaces such as door handles, water fountains, and riding equipment such as reins and saddles, will be sanitized multiple times throughout the day and after each groups riding time or bathroom trip.
- Children will remain with the same group and the same staff throughout the day. Intermingling between groups will be restricted as much as possible.
- Both staff and children will be required to wash/sanitize hands frequently.
- Each group will have a designated area in separate barns. Upon arrival, children will place their belongings in their designated group area.
- There will be no communal eating. Children will eat lunch and snacks in their designated areas. Children will maintain social distancing while eating meals. Children will not be able to share food.
- Any supplies or toys provided for their use will be sanitized after use.
- Any child who complains of sickness or shows symptoms will be removed from their group immediately and be placed in a designated area. The guardian will be called to pick up the child. There will be a strict 72-hour sick policy. If your child has a fever, they cannot return until they are 72 hours fever free without the aid of medicine, as recommended by the CDC.
- The city will encourage children and camp staff to stay home if sick. Steps will be made to safely continue if one of the staff needs to stay home.
- We will provide regular communication with staff and families, regarding any concerns with anyone in the groups who may not be feeling well or stayed homesick.
