

## Vehicle Screening Acknowledgement for Fences and Walls In Single Family Residential Areas

This form must be completed by the owner and returned to the Building Department with the fence permit application. Incomplete or unsigned forms will not be accepted.

Permit Number: \_\_\_\_\_

Owner's Name: \_\_\_\_\_

Job Address: \_\_\_\_\_

Please check which one applies:

- I DO NOT intend to store a vehicle behind the fence that is the subject of this fence permit. Attached is a copy of the property deed.

Please note: The fence that is the subject of this fence permit has not been reviewed for compliance with the city code vehicle screening requirements. Should a vehicle be stored behind the fence in the future, this fence may or may not meet the vehicle screening requirements for that vehicle.

- I DO intend to store a \_\_\_\_\_ (type) vehicle behind the fence that is the subject of this fence permit. Attached is a copy of the property deed and vehicle registration.

Please note: Vehicles must be screened from view by a wall, fence, dense landscaping, or any combination thereof. If the vehicle is ten (10) feet in height or less, then the screening shall be at least six (6) feet in height; whereas, if any portion of the vehicle is more than ten (10) feet in height but less than fourteen (14) feet in height, then the screening shall be eight (8) feet in height. Any vehicle which exceeds fourteen (14) feet in height at any point (excluding antennas) must apply for and receive a screening permit issued by the Plan Adjustment Committee. Commercial vehicles (as defined in Section 25-43(c) of the City Code), buses, and industrial/construction/farm equipment or machinery may not be parked in residential areas.
