ROADWAY RESURFACING PROJECTS

Bond Funds Allocation: \$14,000,000
 Other Funding Sources: N/A
 Civil Consultant: N/A
 Contractor: Cutler Repaving, Inc.

The asphalt surface on existing City roadways serving certain residential neighborhoods have exceeded their useful life expectancy and in need of replacement. The City has secured the services of Cutler Repaving Inc. to remove existing asphalt surfaces and resurface with a combination of recycled and new asphalt. Neighborhoods and roadways designated for resurfacing are:

Jacaranda Lakes	Flamingo Road	El Dorado Estates
Royal Palm Estates (North and South)	Central Park Place	Central Park Place North
Plantation Isles	Jacaranda Drive	Plantation Acres
Sunshine City	Melaleuca Isles	

Roadway Resurfacing Projects - Location Map

Project Status (as of July 23, 2018):

Roadways resurfacing for Jacaranda Lakes, South and Central Plantation Acres, Flamingo Road, Central Park Place, Central Park Place North, Sunshine City, and Melaleuca Isles is complete. Roadway resurfacing for North Plantation Acres and Jacaranda Drive are scheduled to begin as early as November 2018.
