PLANTATION CITY CODE

Sec. 17-5. Trespass.

(a) It shall be unlawful for any person to commit an act of trespass in the city, either upon private property or public property.

(b) "Trespass," for the purpose of this section, shall mean:

(1) Entering upon or refusing to leave any private property of another, either where such property has been posted with "No Trespassing" signs, or where immediately prior to such entry, or subsequent thereto, notice is given by the owner or occupant, orally or in writing, that such entry or continued presence is prohibited; or

(2) Entering upon or refusing to leave any public property in violation of regulations promulgated by the official charged with the security, care or maintenance of the property and approved by the governing body of the public agency owning the property, where such regulations have been conspicuously posted or where immediately prior to such entry, or subsequent thereto, such regulations are made known by the official charged with the security, care or maintenance of the property, his agent or a police officer.

(Code 1964, § 17-31)

Cross References: Uninvited solicitation constituting trespass, § 14-136(c); loitering near schools prohibited, § 17-8.

Sec. 17-5.1. Pre-authorization of police officers to enforce trespass statute on private property.

(a) *Declaration of public purpose.* The city council hereby declares and finds that pre-authorizing police officers to enforce the state trespass statutes, Sections 810.08 and 810.09, Florida Statutes, on private property, serves a valid public purpose. Specifically, the city council finds that the Florida Legislature has made it a misdemeanor for a person to defy an order from the owner of private property, or an authorized person, to leave the owner's property. Pre-designating police officers to issue warnings to leave on behalf of private property owners will protect the public from breaches of the peace which might occur if property owners are required to protect their property and expel trespassers by force. Additionally, the protection of private property is one of the primary missions of any police agency and in pursuit of that mission the police department has proposed a program whereby private property owners may pre-authorize police officers to issue warnings to trespassers on their behalf in order to safeguard their property.

(b) *Pre-authorization authority.* City police officers may be pre-authorized in writing by a private property owner within the city to issue orders to trespassers directing them to leave the owner's property. When police officers have been pre-authorized by a private property owner, they shall be considered authorized persons for the purpose of invoking the provisions of Section 810.08 and 810.09(2)(a), Florida Statutes.

(c) *Written pre-authorization.* Pre-authorization shall be in writing on a form approved by the city attorney's office.

(d) *Refusal to obey an order to leave the premises.* It is unlawful for any person, who enters on private property without being authorized, licensed or invited, to refuse to obey an order to leave the premises given by a police officer who is pre-authorized to issue such an order under the provisions of this section. A violation of this section, in addition to being a misdemeanor under Sections 810.08 or 810.09(2)(a), Florida Statutes (as the case may be), shall be a City Code violation punishable as provided in section 17-5.1 of the Code.
