Public Safety Projects

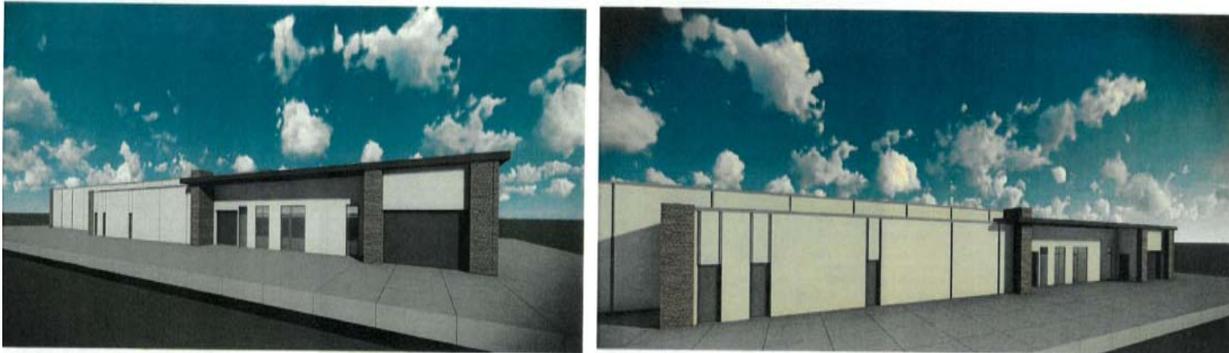

## **POLICE DEPARTMENT INDOOR GUN RANGE REPLACEMENT**

Bond Funds Allocation: \$4,028,420  
Other Funding Sources: State of Florida Law Enforcement Forfeiture Funds (if needed)  
Architectural Consultant: ADG Architects, Inc. – Winter Park, Florida

---

The City of Plantation Police Department currently operates an existing 25-yard indoor gun range located at the SE corner of the Police Department campus. The building structure also includes a 2-bay garage utilized for minor repairs to police vehicles. The existing building suffers from structural, bullet trap, ventilation and training capacity issues warranting replacement with a new facility. The City will demolish the existing building and replace with a new single-story state of the art training facility to include a 50-yard gun range, classroom, various support rooms and a new vehicle maintenance garage.

### **Police Training Facility - Conceptual Rendering**

### **Project Status (as of July 23, 2018):**

Design is at the 60% completion mark. A completed design with preliminary permit approval is projected to be complete and ready for public bidding in January 2019.
