NORTH ACRES PARK IMPROVEMENTS

Bond Funds Allocation: \$500,000
Other Funding Sources: N/A
Architectural Consultant: City of Plantation Engineering Department

The City owns 2 tracts of land totaling approximately 15 acres in Plantation Acres located at 12001 NW 21st Court, Plantation, FL 33323. The west 5 acres is occupied by a small passive park with a playground area and parking lot. The City has conceptualized expanding into the east 10 acres to construct a meandering exercise trail with exercise stations, together with sodding, irrigation, modest tree plantings, a low perimeter fence and resurfacing of the existing parking lot.

Project Status (as of July 23, 2018):

The City intends to begin the design of a conceptual site plan through 'in-house' resources in fiscal year 2019.
