

Sec. 26-211. - Wastewater service rates.

Wastewater service rates for service provided within the city's wastewater service area shall be billed on a monthly basis as follows:

- (1) *Customer billing charge.* To the extent that no water service is supplied to the respective account by the city, each individually metered residential account, commercial account including city and other public authorities, and multiple-family account including mobile home parks serviced by a master meter which receives wastewater-only service shall be billed a monthly customer billing charge in accordance with the following schedule:

All customer service classes per bill .....\$0.00

- (2) *Base facility charge.* Each individually metered residential account, commercial account including city and other public authorities, and multiple-family account including mobile home parks serviced by a master meter shall be billed a monthly base facility charge. The rates, fees, and charges are set forth in Schedule 1 which is included and made a part hereof and attached hereto as Appendix 1.
- (3) *Consumption charge.* All wastewater consumption will be based on metered water consumption for specific account whereby such metered water consumption is not separately metered for water-only use. All wastewater consumption shall be billed monthly. The rates, fees, and charges are set forth in Schedule 1 which is included and made a part hereof and attached hereto as Appendix 1.
