

PLANTATION VOLUNTEER FIRE ASSOCIATION

CENTRAL FIRE STATION
550 N.W. 65TH AVENUE
PLANTATION, FLORIDA 33317

To our friends and neighbors:

Thank you for being a part of the Plantation Volunteer Fire Association's Annual Barbeque over the past years.

While it was a difficult decision, our team has decided to cancel The Plantation Volunteer Fire Association's 64th Annual Barbeque that was to be held November 1, 2020. We felt this was the best decision for everyone's safety and wellbeing.

This will be the first year the annual barbeque, our largest fundraiser, will not be held since 1956. However, through the support of the community and our sponsors, we will continue to provide our Care A Little outreach programs, to the best of our ability, with the limited resources and within current safety guidelines.

It is our hope that we will hold both our Annual Golf Tournament in the spring, and our Annual Barbeque as always, on the first Sunday in November. We hope to keep the standards of these distinguished events up to the expectations that the community has become accustomed to. We look forward to having you join us next year in welcoming everyone back to these great events. In the meantime, we will continue to do our part to serve our city, the businesses and our residents. Until we can be together again, please stay safe and the best of health to all.

Please follow us on social media and visit our web site at www.pvfa.net for more announcements and information on our events and happenings.

Best Regards

Barry H. Stearns
