

ONLINE RESOURCES

You can access the following library services with your library card through the library's website at <http://www.plantation.org/Library/>

The Florida Electronic Library (FEL) is a gateway to select Internet resources that offers access to comprehensive, accurate, and reliable information. Available resources include electronic

magazines, newspapers, almanacs, encyclopedias, and books, providing information on topics such as current events, education, business, technology, and health issues. The FEL offers information for all age groups, including homework help for students and resources for teachers.

Start the conversation in your choice of over 70 world languages and dialects through courses crafted using conversational methodology. Every self-paced language course introduces the learner to cultural insights and grammatical nuances specific to their language of choice, delivered through native speaker dialogue, and created with each individual learner in mind. Download the free **Mango app** from the App Store or Play Store.
