

To: City of Plantation

Subject: **Noncompliance with City Ordinance # 1135 (Backflow device testing)**

The undersigned owner/tenant/manager of _____

(Business Name)

(Address)

I hereby understands that this business is not in compliance with City Ordinance #1135, which requires that a **backflow prevention device(s)** on my water line must be certified annually. In consideration of receiving a time extension of **30 days**, during which time I will have an approved backflow prevention devise(s) tested and certified. I agree that no harmful or toxic substances will be used or stored on this site.

I further understand that after this **30 day** extension, if an approved backflow prevention device has not been installed and properly tested and certified, water service to my business will be terminated.

Please send all correspondence related to backflow prevention device(s) to the following address:

_____ Date _____
